

The Elmhurst (Illinois) SDA Church has been blessed by Orion's Door. Victor Martinez and friends have participated in various portions of our worship service – their love for the Lord always evident and their music always tasteful, inspiring and refreshing. We also very much enjoyed The Orion Connection presentation – an awesome collection of images portraying the vastness of God's creation and the beauty of the heavens. If you are considering extending an invitation to Orion's Door, I would encourage you to do so. It was such a memorable Sabbath for us that we invited them back for a second visit!

Orion's Door is an awesome group of musicians dedicated to spreading the word of Jesus Christ through their Concerts and a Power Point presentation of the Heavens given by their founder, Victor Martinez. I've had the privilege of being in the audience/congregations when Orion's Door springs forth with their musical numbers ranging from Spirituals to Bluegrass. The experience of listening to their renditions is beyond my words. The toe-tapping and sing-a-longs gives me a Spirit filled high, leaving me wanting the group to perform longer. Having known members of the Group for several years, as I belong to the same Seventh-Day Adventist Church as most of the members, I'm amazed at the talent within their number. The Power Point presentation given by Mr. Martinez is powerful. The research he's done about the Heavens will hold you in awe. And, believe me, after experiencing this presentation, you will never look at the night sky the same ever again. Ever wonder where Heaven is? Come and see!

TO: CHURCHES CONSIDERING  
INVITING ORION'S DOOR  
FROM: PASTOR STEVE SHAW

Victor Martinez is the group leader for ORION'S DOOR. I had the privilege of being his pastor in Aurora, IL for over seven years. Victor and his group are members of the Seventh-day Adventist Church and have been a blessing to their respective local churches. The week-end of 9 FEB 08 my church in Clinton, IA was blessed to have ORION'S DOOR do the worship service and then an afternoon presentation. Both meetings were well presented with graphic, beautiful pictures of the heavenly constellations, and galaxies other than our Milky Way. If your church is considering inviting ORION'S DOOR to your church, delay no longer. You will be blessed with the testimonies, music, presentations of God's Word and the Power Point presentations. Don't let this opportunity pass you by!

For more information, please call 563-381-5041, or write to kshaw77@aol.com. In the Blessed Hope,

Your program about the Heavens & the stars is awesome. When I look at the pictures you present and see all of HIS Creation I become even more aware of what a WONDERFUL CREATOR - GOD we have. And, to think that HE loves us in spite of who we are – in spite of our faults - with a Love that is Unconditional is really a mystery. I believe that when we realize how much GOD Loves us, when we experience that Love, it will become evident to those around us because of the Love we have for our Brothers & Sisters, and sharing our Faith and not compromising God's standards with them. Was very Blessed by the presentation!

MAY GOD BLESS US ALL COMING  
& GOING!
